IDEMIA is pleased to provide NOVARIS with the following proposal for an IDEMIA LiveScan Station equipped with the accepted standard Regional AFIS shared by Prince George's and Montgomery Counties (RAFIS).

IDEMIA's fully integrated LiveScan solution provides NOVARIS the following features and benefits:

- ◆ Single-source vendor for all components of the LiveScan solution, including the AFIS interface
- ◆ Digital image capture of upper, lower and writer's palms, slaps and rolls
- ◆ Mugshot Capture
- ◆ Full compliance with RAFIS AFIS, FBI IAFIS/NGI EBTS and ANSI/NIST image standards
- ◆ Automatic fingerprint sequencing and duplicate print checking before scanning is completed, ensuring data integrity
- ◆ Quick check, review, and edit can be performed on each print
- ◆ All livescan configurations include on-site installation, training, and 1 year on-site warranty

Attachment A

IDEMIA's on-going commitment to customer satisfaction and the delivery of the highest level of support in the industry is demonstrated by our placing resources in the field near the customer to provide on-site customer support.

Our standard warranty is 1 Year on-site for both parts and labor. Should NOVARIS report a problem, IDEMIA will dispatch a IDEMIA Representative to go on-site to resolve the problem as opposed to other vendors who send a "box with a replacement part". We send a highly trained support representative to provide problem resolution. This ensures that NOVARIS staff members are not burdened with the added task of "parts replacement".

Customer Responsibilities

NOVARIS is responsible for the following:

- ♦ Provide necessary facility resources required for equipment installation and operation including access, space, environmental control, electrical power and networking.
- ♦ To obtain and maintain the required transmission lines and hardware for remote communications to and from the necessary agencies.
- ♦ Obtaining all required authorizations for connectivity.

Assumptions

In developing this proposal, IDEMIA has made the following assumptions:

- ♦ With the exception of the RAFIS, there are no external interfaces to support which includes but is not limited to records management system, booking system, mugshot system, etc.
- ♦ NOVARIS will provide all necessary communications for connectivity. This includes, but is not limited to hubs, routers, modems, etc.
- ♦ On-site Installation Services will be scheduled after network connectivity to applicable agencies has been established and verified.

Additional engineering effort by IDEMIA beyond the scope of the standard product will be quoted at a firm fixed price based on our current service rates in effect at the time of the change, plus any related travel or administrative expenses. Assistance with training and questions for the NOVARIS' database or any programming, scripting, or review of programs beyond work quoted above are excluded from this offer.

Prices are exclusive of any and all state, or local taxes, or other fees or levies. Customer payments are due to IDEMIA within 20 days after the date of the invoice. Product purchase will be governed by Fairfax County Contract 4400008678. Firm delivery schedules will be provided upon receipt of a purchase order. No subsequent purchase order can override such terms. Nothing additional shall be binding upon MorphoTrak or the County unless a subsequent agreement is signed by both parties.

One hundred percent (100%) of the purchase price of a subsystem, defined as individual LiveScan Station for an end-user site, will be invoiced upon acceptance of each subsystem site location. IDEMIA reserves the right to substitute hardware of equal value with equal or better capability, based upon market availability. If, however such equipment is unavailable, IDEMIA will makes its best effort to provide a suitable replacement.

Proposal Expiration: January 31, 2019

Purchase orders should be sent to MorphoTrak by electronic mail, facsimile or U.S. mail. Please direct all questions and order correspondence, including Purchase Order, to:
